EASY Pay Program

Dear Valued Customer,

Tri-County Petroleum, Inc offers an EASY PAY program to help improve and simplify customer payments. Your participation in the program will allow Tri-County Petroleum, Inc to make an electronic deposit of your payment for invoices which are due according to the payment terms agreed. The program does not allow Tri-County Petroleum, Inc access to any information such as account balances, deposits, pending transactions, etc.

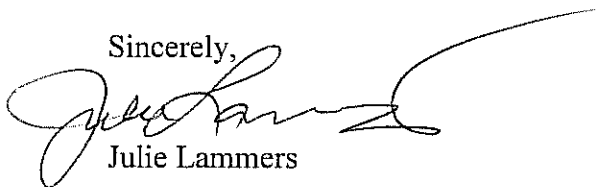

Once registration has been completed, you will receive a notice (including detail) of any payment due. Notices will be sent to you via fax or mail a minimum of two business days prior to the draft date. This will allow time for any adjustments or corrections that may arise. All rejected drafts are subject to \$15.00 fee. Rest assured that only those invoices that are due will be presented for payment.

In the event the draft date falls on a weekend or bank holiday, the draft will occur the following bank day. Any payment questions should be directed to Accounts Receivable at 618-654-3328.

Thank you for considering our EASY PAY program. We hope you will find that it will save you valuable administrative time. Please complete the following EASY PAY form so that we can set up your account accordingly and start saving you some valuable time.

We appreciate your business.

Sincerely,

Julie Lammers
